

Attention FDA

0705 '00 APR -6 P1:50

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

no

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

Have no problems with transportation

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

Do not want the Government to interfere

4. Should I be allowed to purchase hearing aids by mail as I choose?

*I would hope so. These are my rights
to do so if I want.*
